BUILDING PERMIT PART 2

You are to notify the Village of Frankfort of the commencement of work under this permit and prior to the start of the following construction stages in order to schedule required inspections.

1. Footing before pouring concrete
2. Foundation before backfill.
3. Framing before enclosing
4. Electrical before enclosing
5. Insulation before enclosing
6. Plumbing before enclosing
7. Heating, Ventilation, Air Conditioning before enclosing
8. Septic System and Well
9. Final Completion

It is also required that timely notice be given to the Village of Frankfort of the readiness of construction for all tests which the Uniform Code Requires for inspection and approval. Copies of all tests and their certification of approval are required to be submitted to the Village of Frankfort prior to final inspections.
